

Topic Overview:  
**Pack Your Bags!**

SQUIRRELS – Summer  
Term 2018 (second half)

In **Personal Social Emotional Development** we will be learning to:

- select, use, adapt and tidy resources independently.
- take account of what others say or do.
- express opinions on our likes and other topics.

In **Physical Development** we will be learning to:

- write all of our letters correctly.
- take part in sports day activities.
- look after ourselves by being sun safe, eating a healthy diet and drinking lots of water

In **Communication & Language** we will be learning to:

- follow complex instructions.
- Consider our audience when speaking

In **Understanding the World** we will be learning to:

- carry out simple investigations, using our five senses to observe and compare.
- choose what technology to use.
- talk about different places in the World.

In **Mathematics** we will be learning to:

- solve problems with length, mass and capacity.
- solve problems by doubling, halving or sharing.

- use money.
- Describe 2D and 3D shapes.

In **Literacy** we will be learning to:

- read and write sentences.
- enjoy fiction and non-fiction books.
- recognise new ways of spelling sounds, eg. "ee" and "oe".
- do more writing independently.

In **Expressive Arts & Design** we will be learning to:

- use natural objects in our Art.
- use our own ideas.
- make up our own songs & tunes.
