

# Squirrel Newsletter 2

Dear Parents

The Squirrels have had a fabulous start to their time at Sheerhatch Primary. They've all settled in really well and have already learnt 8 letter sounds, made a book and been fantastic at getting ready for PE!

## Reading Books

Children will gradually start bringing books home to share with you over the next few weeks. At first these will not have any words. Your child should talk about what they can see in the pictures. If they are stuck, try asking some questions to prompt them.

## Stars

We have already sent some stars home; thank you if you've sent one back. These are for you to share events from home with us and they are used to build up a picture of your child that contributes to their end of year profile. You don't have to complete them all immediately-the sheet can be cut and the stars returned one at a time. If you run out we can send more! Please don't stick them into the red book as we like to display them on our golden star.

## Photos

If you'd like to share photos of your child doing something such as skating, constructing in your house or garden, visiting an interesting place or taking part in family celebrations we'd love to see them. Just email them to us with a short explanation. They will also be put into your child's profile.

## Jumpers

We've noticed that not everyone's jumpers have names in! Obviously, with them all looking the same this is really important, so please help us by naming all clothing, thank you.

## Coats

Even with the weather starting to get cooler and wetter we still like to get outside lots during the day. Therefore, please send in a named, lightweight jacket.

## Library books

Children will be choosing a library book to share with you on Fridays. The book does not need to come back into school until the next Friday.

## Daisy

Daisy is our class hamster. She likes to meet new people so, if you'd like to host her for a weekend, please send us a message in the red books, stating if you have any date restrictions.

If you have any questions, don't hesitate to speak to one of us
