

Topic Overview:
Celebrate!
Squirrels – Autumn Term
2018 (second half)

In **Personal Social Emotional Development**

we will be learning to:

- select and use resources independently.
- solve problems by compromising
- follow the rules of Squirrels and Sheerhatch Primary School.
- take account of what others say.

In **Physical Development**

we will be learning to:

- make groovy shapes in PE.

- improve our scissor skills and letter formation.

In **Communication & Language** we will be learning to:

- follow 2 step instructions.
- concentrate on tasks.
- use storylines in role play and small world play.

In **Understanding the World** we will be learning to:

- talk about what we, and other people, celebrate.
- talk about different environments.
- use our five senses to observe, compare and investigate.

In **Mathematics** we will be learning to:

- count objects reliably up to 10, 20 or beyond.
- extend our understanding of addition & subtraction.
- begin to record our work.
- talk about 3D shapes.

In **Literacy** we will be learning to:

- recognise more letters and the sounds they make.
- Read and write some CVC words (eg. cat, mop.)
- make collections of words.
- continue a rhyming string.

In **Expressive Arts & Design** we will be learning to:

- explore painting techniques.
- sing songs from memory.
- build with different construction toys.
- explore pitch and tempo.
