Sample Student (Year 1, Samples)

Welcome to the Summer Term

Dear Parents and Carers,

I hope you have all had a good Easter and managed to find different ways to celebrate and enjoy the holidays.

As our Summer Term officially starts, I'm sure that many of you will want to re-establish some daily routine. We are very aware that everyone's routine will be different depending on family circumstances and again I would like to remind you that your health and well-being comes first. Stay safe. Stay well.

We do however want to make available to you home learning opportunities that are appropriate for each year group and as such have uploaded the next two weeks 'packs' onto the class pages on the school website. Visit www.sheerhatchprimary.org.uk

This is now a little bit more structured as we have had more time to plan, so it will work best if you do Maths and English tasks in order. Don't forget you can always contact your child's class teacher if you have any questions or concerns. Do what you can when you can, but please do not worry about things you can't do.

We are in the process of setting up a new platform for sharing activities and keeping in touch, so I will let you know how to sign up for this very soon.

I would like to say a huge thank you to all the teachers for their work on planning in these difficult circumstances and to all the staff who have been part of the rota for the children in school throughout the holiday as well as the term time weeks, as well as our admin, finance and site team who are continuing to support behind the scenes.

Thanks also to all of you and your children who we know are all doing the best you can. We miss you all and love to hear about what you are doing, so please continue to share.

For those of you who like to see us occasionally too, there will be some more uploads to the youtube channel this week along with Facebook posts.

It would be nice to do an achievements assembly. I know that some of the children have been able to do Brownie and Cub activities remotely as well as some other clubs, so do send me pictures of certificates or activities. Perhaps parents you would like to nominate your child for something they have done at home? If you can do this by the end of the week, I will put something together.

Take care everybody.

Miss Ryan
