## Update

Dear Parents/Carers,

It has been a busy week!

### **Back to school for some**

It has been a pleasure to welcome back some of our children in years R, 1 and 6 along with a few more key worker children. I am very pleased with how well children have adapted and understood new ways of working and am very grateful to all the staff who have helped to make this as smooth as possible. We were pleased to have had our thorough risk assessment approved by Borough at the end of last week which allowed us to go ahead with our plans. We do, however, continue to review and assess our practices and will make any adjustments necessary to ensure the ongoing safety of the children and staff.

It has been lovely to receive messages of support and appreciation from many of you during this time.

Please continue to support us by ensuring your families are complying with guidance about social distancing and safe travelling outside of school to help keep everyone safe.

### **Home Learning**

We do miss all the children not yet back in school and are pleased that we have been able to keep in touch through so many different means. You should all have received an invitation to join Class Dojo. Do get this set up if you can; it is proving to be a great way of sharing work and activities with the class teachers and for quick and easy messaging. We are already thinking about how we can use this going forward when we are all back in school and we think it will be a great way for you to know more about what your child has been doing in school.

All of the home learning activities are on the school website. I appreciate it can seem a little overwhelming when you see the whole list, but remember that this covers two weeks at a time and you can do as much or as little at a time as feels right for your child. Remember to be in touch with your child's teacher with any questions or concerns.

Do also see the e-safety page for age appropriate online safety activities which may be helpful.

### **Government updates**

I know how difficult it is to keep up with the ever changing news and guidance, so I have added the link below to the document for parents, which was updated yesterday.

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/closure-of-educational-settings-information-for-parents-and-carers>

My continuing best wishes to you all

Miss H Ryan
