Update - 25/06/20

Dear Parents/Carers,

I can't quite believe it is nearly the end of June. The last few months have been very strange for all of us, but at least recent changes have opened up opportunities a little to see more people and visit more places.

We will not be changing anything about the way we operate in school for now and your children's health, safety and well-being remain our top priority.

Sports Week

I hope that everyone has been enjoying the Sports Week challenges. We are getting some great photos and videos coming in. Keep them coming. Please let us have the results sheets by Monday so that we can add up the scores ready for a special assembly.

Achievements

If there are other achievements you would like to share, please also let me know, along with a photo if possible, so that I can put another achievements assembly together.

Transitions

We have come up with a plan whereby all children can be invited into school for a visit with their new class teacher(s) so look out for a separate ParentMail about this.

Summer Catch-up

You will no doubt have heard talk about Summer School and Catch-up projects. We currently have no plans to open school in any way over the holidays. We will provide you with suggestions as to Summer activities to keep the children's learning brains active, but will endeavour to keep this low key and fun. There may be other opportunities on offer via Bedford Borough and we will keep you informed about this as and when we have any details.

September

The plan is that all being well, all children will return to school in September. We await government guidance on how this will work and what protocols we will need to be using.

This is when catch-up can really begin. Please do not worry about where you think your child is at and what they may have missed. Every child will have been able to engage in learning at a different level and been affected in different ways by their lockdown experience. We will take them from where they are and provide them with the support and challenge that they need.

We look forward to seeing as many of the children as possible over the next few weeks even if only for a

short time.

As always, please let us know if we can help and support in anyway.

Best wishes

Miss H Ryan
