

# Rabbit class week beginning 25<sup>th</sup> January 2021

Daily reading using reading eggs including phonics, daily spelling practice, and physical activity are also recommended.

I will do a **daily video** to say hello and introduce the work for each day. We will have **one Zoom chat/ lesson each week** but will invite you to that as and when I plan it.

Mon	Tue	Wed	Thur	Fri
Weekly spelling sheet – find on Dojo activities – an adult to test you on Friday.				
<b>Maths</b> <a href="https://vimeo.com/500465193">https://vimeo.com/500465193</a> Activity - at end of video	<b>Maths</b> <a href="https://vimeo.com/500466597">https://vimeo.com/500466597</a> <b>Work sheet on class story</b>	<b>Maths</b> <a href="https://vimeo.com/500467345">https://vimeo.com/500467345</a> <b>Work sheet on class story</b>	<b>Maths</b> <a href="https://vimeo.com/500467998">https://vimeo.com/500467998</a> <b>Work sheet on class story</b>	<b>Maths</b> <a href="https://vimeo.com/500468562">https://vimeo.com/500468562</a> <b>Work sheet on class story</b>
<b>English</b> WALT, write notes to record facts from a PowerPoint. <ul style="list-style-type: none"> <li>Listen to the book 'Over in the Arctic' this with help introduce the different Arctic animals.</li> <li><a href="#">Over in the Arctic: Where the Cold Winds Blow. Book by Marianne Berkes - YouTube</a></li> <li>Review how to take note. (one word, pictures, numbers- no sentences)</li> <li>Look at the <b>Power Point</b> of other Arctic Animals.</li> <li>Can you see the bullet points</li> </ul>	<b>English</b> WALT, be able to locate information to answer a specific question Comprehension about Seal. <ul style="list-style-type: none"> <li>Read the information and answer the questions. Scan for a word in the passage instead of reading it all again. i.e for question 2 fat.</li> <li>If you find the word fat then read the sentence it is in hopefully you will find the answer.</li> <li>Remember to write in sentences.</li> <li>Use the question to help you answer ie for question 2 the sentence would read.</li> <li><i>The thick layer of fat is called blubber. .</i></li> </ul>	<b>English</b> WALT. Recognise the feature of non- fiction writing. Features of non- fiction writing Look at the different features of a fact file. Find them on the Emperor Penguin fact file. Highlight them.	<b>English</b> WALT: write the words for a fact file about The Arctic. <ul style="list-style-type: none"> <li>How do we find fact about things. Books, internet, videos.</li> <li>Look at a few different , fact files on Polar animals. and their contents</li> <li><a href="#">10 Arctic Animals for Kids – Snow Animals for Kids – Polar Animals - YouTube</a></li> <li>Watch the video of 10 arctic animals.</li> </ul> Choose one of the animals that you want to write a fact file on. Children to write note to help you remember what you want include in their fact file tomorrow	<b>English - Warm write</b> WALT; create a fact file about Arctic Animals Look at fact files blank sheet and discuss the layout, Information grouped Live , eat, Survive. Will you include- pictures, bullet points, diagrams, labels Title and subtitles?
<b>Topic :</b> <b>WILF; how big is a polar bear</b> Find out how big is a polar bear? How large is its paw? How big is a baby? <b>Task How big is a polar bear? How large is its paw? How big is</b>	<b>Topic</b> <b>WALT, To label a map of the world showing hot and cold countries including the Arctic circle and the equator</b> Review learning from last term on UK and the 4 countries.	<b>Science</b> - Investigation in how polar animals keep warm. <a href="#">How do Whales, Penguins, and Polar Bears Keep Warm? - YouTube</a> Watch the video. It will teach you about how animals keep	<b>PSHE – Changing me RE – Why caring for each other matters</b> <b>I am Unique</b> <a href="#">Elmer - The Patchwork Elephant   Children's Books  </a>	<b>Music</b> We are continuing a lesson on Pitch. This week looking at low pitch. <a href="#">Low sounds (thenational.academy)</a>

a baby?

Use lego, construction toys or paper to show the real size of a Polar bear. Photograph and share

(A male polar bear can grow up to 3 meters tall and female 2.5 meters tall. )

Work sheet of UK .

Use Google earth and a map of the world to explore where the Arctic is? [PDF map of Arctic Ocean](#) and [Map of world](#) to help

Discuss where UK, Wellington is then the **Antarctic (South Pole)** and the **Arctic**. Look at the countries near the arctic circle . Explore the fact that there's no land only frozen water at the north pole in the Arctic circle. Discuss the weather in the arctic and the weather here in Wellington and the weather at the equator. [Climate Zones of the Earth | Weather and Climate | Types of Climate Zones - YouTube](#)

Task: Use the [blank world map sheet](#)

Can you label the Arctic  
Can you colour the hot countries (tropical zone) and cold countries (Arctic Zone) of the world blue and red?  
Can you mark in the equator?

warm in the very cold countries.  
Look at the PDF for the instructions on the blubber experiment. It would be a lot of lard to do the glove but you could do it just on a finger. And use cling film.  
Take photos and let me know what you found out!

[Read Aloud - YouTube](#)

Elmer was unique.  
We are all unique.  
Look at the powerpoint and discuss what make you unique. Then use the writing paper to colour Elmer and tell me what make you special, unique. What make you you?
