Request for provision for Key Workers and vulnerable children during school closure -
Spring 2021 Sheerhatch Primary School Jan 04 2021, 13:24

Dear Parents and Carers,

Further to our previous ParentMail, we would like to collect information from you about which children may need to access childcare provision from tomorrow, Tuesday 5th January 2021, following the decision about delayed opening for the Spring term.

The school will only be open for our most **vulnerable children** (those who have an Education Health Care Plan or those who have current social care involvement) and children of **Key Workers** as outlined in the guidance below

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Please complete and return the form **as soon as possible**, and no later than by 5pm today. We will confirm your provision as soon as possible after that time.

Thank you for your cooperation.

We are unsure at this stage whether it will be viable to offer wrap around care (Care Club). Please indicate below if you would like to take advantage of this provision if it can run.

Yours faithfully,
Miss Helen Ryan
