

In **Art** and **DT**, we shall be mixing tints, using printing to create a landscape and scene. We will also critique the work of others and our own. We shall be learning about where our food comes from, which foods are in season in Britain, creating a nutritious and seasonal recipe and following a recipe and cooking safely.

## Foxes Summer 1 Map Makers

In **Science**, we are learning about the different parts of a plant and their function, observing leaves, and describing their features and their function and doing experiments to better understand the function of the parts of a plant.

In **RE**, we are thinking about the question: 'Why do some people think that life is like a journey?' to include Christianity, Islam, Judaism, Hinduism and non religious views.

In **PSHE**, we are learning about relationships to include family roles, friendships, keeping safe and being a global citizen.

In **Music**, we are listening to music from around the world and from different time periods. We are also learning a song and how songs are structured.

In **Computing**, we are building on our coding skills to design a game.

In **Geography**, we will be drawing our own sketch maps, comparing sketch maps and accurate printed maps, learning about map symbols and land use. We will also be comparing urban
