

# Squirrels Newsletter 4

## Dear Parents

It was lovely to see so many of you at the open afternoon before half term. Your child's books and folder will be available at the parent consultation evenings on 22<sup>nd</sup> and 24<sup>th</sup> February. The next open afternoon is planned for Tuesday 29<sup>th</sup> March.

Our new topic is "Stomp, Stomp, Roar" and we'll be learning about different prehistoric animals.

## Learning Logs

As always, we greatly appreciate the help you give your children in completing their challenges. Just a reminder that books should be returned in time for us to share them on a Wednesday. If your child's learning log has gone missing please let us know as the challenges support our learning in class.

## Reading

Thank you for hearing your children read. Please remember to write in their blue and white book each time you hear them and make sure the books are kept in bookbags so that we can change them regularly.

## Science Week

British Science Week this year runs from 14-18th March. We will be running various activities across the week involving all year groups. The theme this year is "Growth" so do ask your child what we get up to.

## Show and Tell

Here is the Show and Tell rota:

25 <sup>th</sup> Feb	Amelie	Ariya	Brandon	Dylan
4 <sup>th</sup> Mar	Emily	Holly	Hugo	
11 <sup>th</sup> Mar	Imogen	Joshua	Lila	Lilly
18 <sup>th</sup> Mar	Molly	Nellie	Niamh	
25 <sup>th</sup> Mar	Persephone	Ronan	Rosie	
1 <sup>st</sup> April	Sienna	Spencer	Wills	

Please can your child bring in something that fits in with our prehistoric topic, for example a favourite dinosaur toy, a model they've made of a prehistoric animal (eg. from Lego), an information book...

## Photos

Don't forget, if you want to share news of your child from home you can write on a star or upload a photo and brief description to Tapestry

*Thank you*

If you have any questions, don't hesitate to speak to one of us
