

# Bigger & BIGGER

## Summer 1

## Year R

### Key Ideas

- Plants and animals have life cycles.
- Plants and animals can grow.
- As we get older we learn more skills.
- Plants need water to grow.

### Key Questions

- Can you talk about the life cycle of a plant or animal?
- How are you different to a baby or a toddler?
- Can you compare length, mass and capacity?
- Can you find half of a shape or number?
- Do you know your doubles to double 5?
- What happens when we plant seeds?

Key words	Explanation
seed	many plants grow from seeds.
symmetry	a picture or pattern where the two halves are a mirror image
half	one of two equal parts of a whole
double	2 lots of the same amount
capacity	how much a container can hold when full
volume	how much is actually in the container

### Key Skills

- putting events in order on a life cycle
- comparing and ordering length, mass and capacity
- looking after plants
