

Please find detailed below a range of activities related to our current topic.

Please find detailed below a range of activities related to our current topic. Your child needs to choose **ONE** activity to complete each week. This needs to be submitted on a Monday and will be marked. You could choose to take a photo of their work, upload a document instead of completing it in the yellow book. There will be extra Class Dojo points for any work handed in early! Many of the activities will require some level of research.

### **Learning Log Activities for Through the Years: a historical study of Cardington and Willington:**

1. Cardington Hangers were very important in the development of airships. Can you make your own model airship? Will it be like the R101 or the Airlander 10? What resources will you use to make it?
2. One of the hangers (sheds) at Cardington is now used for filming many blockbuster movies. If you could write and direct your own movie, what would it be like? Create a storyboard for a movie of your own ideas. Will it be action? Futuristic? Romantic? Musical?
3. The Short brothers were very important in the development of British aviation. Create a presentation using PowerPoint or Google Slides to show what you have learnt about them. Don't forget to include some pictures to go with your information.
4. The Dovecote in Willington is now a National Trust site. What is a dovecote and what is it used for? What can you tell me about the birds which the Dovecote might become home for?
5. There is a guided walk around part of Willington which includes the Dovecote. See this link for more information:  
<https://www.nationaltrust.org.uk/willington-dovecote-and-stables/trails/willington-woodland-and-willows-walk> you may also find some geocache points along the way if you haven't already found them. Perhaps you could have a picnic en route!
6. Sheerhatch Primary School has been in Willington (although under a different name) since 1867. Create an information booklet about the school concentrating on its timeline of events.

**Don't forget to ask your parents for help and permission with the internet.**
