

In **History and Geography**:

- We'll learn how volcanoes are formed, why they erupt and the impact that these eruptions have.
- We will look at case studies of Mount Vesuvius and the more recent eruptions on Hawaii.
- We will also explore tornados and hurricanes and the impact these have on communities.

In **English**, we'll be:

- Writing a volcano escape story after studying the text 'Escape from Pompeii'.
- Writing a topic report articles about natural disasters.

In **Maths**, we'll be:

- Focusing on our place value skills but using bigger numbers in their thousands.
- Then using these to develop our addition and subtraction skills.

In **French**, we will be recapping on our numbers and greetings, looking at more nouns including animals and how we use nouns and determiners in French.

In **RE**, Our topic for this term is 'How do festivals and worship show what matters to a Muslim?'

In **Music**, we will be creating a soundscape using a range of instruments. We will focus on layers and rhythm.

In **PE**, we will be creating narratives through dance and working on cooperation, communication and consideration.

In **PSHE**, our topic is 'Being me', which gets to think about how we are unique and why we should celebrate this.

Topic Restless Earth Year 4

In **Science**, we will be learning about states of matter.

- Differences between solids, liquids and gases.
- Exploring freezing and melting
- Looming at the water cycle, including evaporation and condensation.

In **Computing**, we will

- be continuing to develop our coding knowledge by creating programs with loops, events and conditionals and writing algorithms for everyday tasks.

In **Art and DT**, We will be

- Exploring the digital world and looking at Mindful moments timers.
- Developing our drawing skills.
