

In English we will focus on:

- writing facts in a detailed but clear way
- writing a recount

In Maths this half term, we will focus on:

- counting objects to 100
- tens and ones
- representing numbers up to 100
- comparing numbers up to 100
- ordering numbers to 100

In art and design technology, we will focus on:

- learning how to draw faces as portraits, focusing particularly on lines and colour
- sketching and using pastels
- comparing the work of different portrait artists and using their techniques in your own work

Curriculum Topic Overview:

How Are You?  
OTTERS  
Autumn Term

In History we will focus on:

- the history of medicines and hospitals
- the work of Florence Nightingale, Mary Seacole and Edith Cavell and how this changed healthcare

In Computing, we will focus on finding useful information on the internet.

Our music unit is based on music from films and musicals.

In Science we will focus on:

- how humans need to eat a balanced diet, rest and exercise to be healthy
- experimenting to see how germs spread and how they can be killed
