

## Curriculum Topic Overview:

### The Magic Toymaker OTTERS Autumn Term

In art, we will focus on:

- evaluating the work of Peter Blake
- how to draw a toy, looking particularly at shape, colour and texture
- making 3D models of toys using salt dough

In DT, we will focus on:

- exploring existing products and making a suitable chair for baby bear
- creating toys that fool our eyes

In History we will focus on:

- toys and games from different eras.
- how to decide if a toy is new or old
- how we can learn about the past in different ways

In Computing, we will focus on Algorithms .

In Geography, we will focus on games that are played around the world.

Our music unit is called Ho Ho Ho and is based on Christmas songs.

In English we will focus on:

- character descriptions
- writing a book review

In Maths this half term, we will focus on:

- counting objects to 100
- tens and ones
- representing numbers up to 100
- comparing numbers up to 100
- ordering numbers to 100

**In Science we will focus on:**

- how to sort toys based on what they are made out of
- which materials can be bent, squashed, twisted or stretched
- which materials are best for making a bath toy
- pushes and pulls, and how things move
