

In **English**, we'll be:

- Writing diary entries to reflect the story we will be reading (Song of the Dolphin Boy by Elizabeth Laird).
- We will also be recapping our persuasive letter writing we covered during the lockdown to see if we can upskill our writing techniques.

Topic
Love your
planet
Year 4

In **Science**, we will be learning about the human impact on living things and their environments. We will be looking at:

- climate change and how this affects habitats
- man made changes, and the positive and negative impact these have had
- how we can positively impact the environment

In **History and Geography**, we'll be studying:

- The pollution of the land, sea and air and its effect on the environment.
- The ways in which we can try to remedy the damage to our planet and limit future damage.

In **Art and DT**, We will:

- design and make slingshot cars, before testing them out and seeing how kinetic energy powers them
- study artists that recycle objects into art -we will use this to influence our own piece of art

In **Computing**, we will

- Start looking at spreadsheets and learning to use the basic functions.

In **Maths**, we'll be:

- learning about decimals and comparing these to fractions
- interpreting data using tables and graphs.
- recapping on previous learning

In **French**, we will be focusing on London and the description of places. It the use of le/la.

In **RE**, we are focusing on how and why people try and make the world a better place.

In **Music**, we will be exploring percussion, including body percussion and exploring beat boxing.

In **PE**, we will be doing athletic activities and game making.

In **PSHE**, our topic is 'Relationships'. We are focusing on love and loss, as well as jealousy.
