

In **History and Geography**, we'll be:

- looking at who they worshipped and how they converted to Christianity.
- identifying how they dressed and how they made their clothes colourful.
- investigating what Sutton Hoo is and looking at artefacts.

Topic
Invaders Part 2
Year 4

In **Maths**, we'll be learning about fractions and decimals. This will include:

- Looking and finding equivalent fractions
- Adding and subtracting fractions and decimals.
- solving word problems that include fractions and decimals.

In **English**, we'll be:

- Comparing different types of poetry.
- We will learn the structures for limericks, Haikus and free verse as well performance poetry.

In **Art and DT**, We will be focusing on textiles. We will be designing and creating book sleeves.

In **Computing**, we will

- be continuing to develop our coding knowledge by creating programs with loops, events and conditionals and writing algorithms for everyday tasks.

In **Science**, we will be learning about sound.

This will include:

- investigating how sound travels.
- making our own telephones.
- learning how to produce different sounds.

In **French**, we will be learning about homophones, adjective agreements, question words and adverbial phrases.

In **RE**, Our topic for this term is For 'Christians what was the impact of the Pentecost?'

In **Music**, we will be creating Haikus and then creating a piece of music to fit this poem. We will also add sound effects.

In **PE**, we will be learning principles of rotation in gymnastics and net games.

In **PSHE**, our topic is 'Healthy Me', which looks at healthy relationships, and the effects of smoking and drinking.
