

In **Geography**, we will be learning:-

- About the countries which make up the British Isles
- The capital cities of the UK
- Some of the countries of Europe and their flags
- Features of the French Alps
- Properties of rocks
- About Mary Anning
- About fossils and how they are formed

In **Music**, we will be learning:- we will be creating Haikus and then creating a piece of music to fit this poem. We will also add sound effects.

In **PSHE**, we will be learning:- our topic is 'Healthy Me', which looks at healthy relationships, and the effects of smoking and drinking.

## We Will Rock You!

In **Computing**, we will be learning:how to use Microsoft Powerpoint to make a presentation.

In **RE**, Our topic for this term is 'For Christians what was the impact of the Pentecost?'

In **Science**, we will be learning:-

- how to recognise rocks according to their properties
- to describe how different rocks are used in our environment
- to test and compare rocks for their hardness and waterproof properties
- to describe how rocks change over time
- to explain how soils are formed
- to test soils to see how fast water drains through

In **Art and DT**, we will be focusing on textiles. We will be designing and creating book sleeves using our sewing skills.
