

The Basics

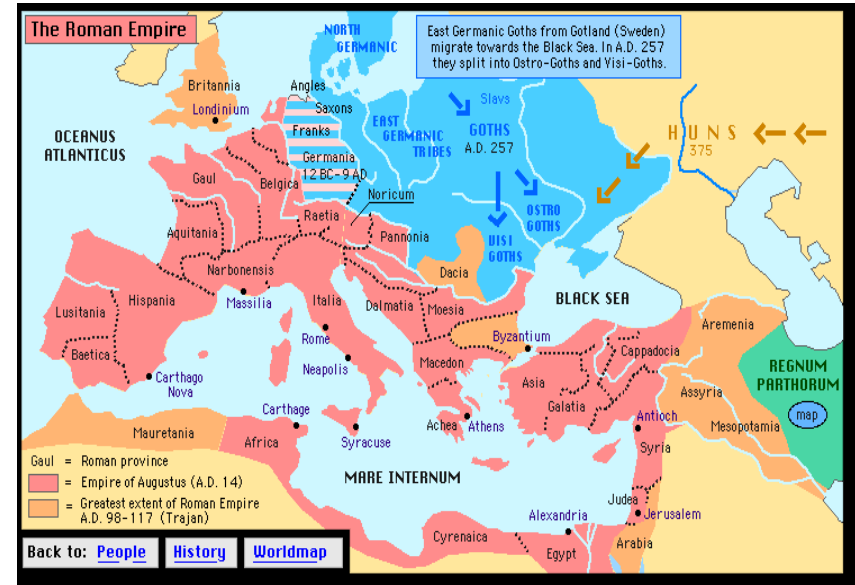

Geographer	Someone who studies the Earth, its land, features, and its inhabitants.
provinces	Parts of a country outside of the capital or the largest cities.
Britannia	What England was called during Roman times.
Caledoni	What Scotland was called during Roman times.

Trading

trade	The action of buying, selling or exchanging resource and services.
resource	A material that people want or need.
import	Bring goods or services into a country from abroad for sale.
export	Send goods or services to another country for sale.

Key Questions

- How did the Romans use the Earth's resources?
- How did they change the way people traded?
- What resources did Britannia have that would benefit the Romans?
- How did the Romans change the landscape?
