

## Care Club News - Autumn Term 2022

Hello Parents, Carers & Children -  
and a very big welcome to all our new families.

### Activities

We hope, before we break up for the holidays, to use the fire pit in the nature area. We plan to do this in the week beginning: 5.12.22. If your child attends club in that week and comes home smelling of smoke, that will be why.

(Please let us know if you do not wish your child to take part.)

Apart from the usual activities, the children have been busy sewing, learning to knit, partying in the hall and making Halloween decorations. At the end of term, we will be offering plenty of Christmas activities.

## Reminders

We are open until 6pm on the last day of term

Care Club staff are unable to take children from Care Club to after school activities including FOSH organised functions or evening play performances.

Well done to Joe (Yr 6 leaver) and Ben (Yr 2) who were last term's Reward Points winners.

## The Joke Box

*I asked Josh in yr 2 if he knew a good joke, he replied -  
"I've got one about a pizza... but  
it's a bit too cheesy!"*

Good luck Miss McTernan in your new job, we will miss you!

Welcome Miss Pozella, we are so pleased to have you.
