COVID-19 Guidance

(as of Summer Term 2022)

Frequently Asked Questions (based on information provided by the Local Public Health Team)

Should my child come to school if they have symptoms of a respiratory infection?

If your child has mild symptoms such a runny nose, sore throat or mild cough and feels well, they may attend school.

If your child feels unwell or has a high temperature, they should stay at home.

Should my child take a COVID test?

It is not recommended that children are tested for COVID-19 unless directed to by a health professional.

If my child has taken a test and is positive, what should I do?

If a child has a positive COVID-19 test result they should stay at home and avoid contact with others as much as possible for 3 days after they took the test. (The recommendation for adults is 5 days).
